

MULTI LOADER 1.5

This fully electric tracked transporter is set to revolutionize the way industries handle materials, providing exceptional performance and efficiency.

The ML 1.5 is specifically tailored for crane rental companies, industrial material handling, routine and extraordinary maintenance operations, and the glass and glazing sector.

Its versatility makes it ideal for a range of applications, including industrial operations, maintenance work, glazing industry, and even the food and pharmaceutical sectors, thanks to its IP67 rating.

Max speed
STD 1.2 km/h - 0.7 mph
POW 2.8 km/h - 1.7 mph

- Full electric drive
- Fully removable battery pack
- Slide platform
- Radio remote control
- Non-marking tracks
- IP67 rated

SPECIFICATION	
Max Capacity	1500 kg
Max gradient	Longitudinal 45°, Lateral 30°
Dimensions	1170 x 700 mm
Track length x width	794 x 200 mm
Ground clearance	40 mm
Platform ground height	500 mm
Gross weight	465 kg
Charger Input & Time (110–230 V)	6h – 7.5A
